JACE  
You'll feel better

LIAM  
I don't need your help

He drinks

LIAM  
This is your fault , you shoud've  
stopped me from drinking.

Jace looks at him confused .

Liam looks at him angrily .

LIAM  
ughh , my head is about to explode.

James ( 18 ) comes into frame and he looks at Jace. Jace looks at him . We see that he kind of likes him .

JAMES  
We're all going inside , are you  
coming ?

LIAM  
We're staying .

JACE  
I'm just gonna take him home .

JAMES

INT . HOUSE

Jace opens the door and enters his house, his mum is laying in the sofa. She sees him and smiles. He sits next to her. She looks tired.

JACE  
Hey

MOTHER  
Hi

JACE  
How is she?

MOTHER  
She's not getting better

JACE  
She's not getting better because  
she needs to go to a hospital.

MOTHER  
Don't you think I wouldn't take her  
if I could?

JACE  
I don't know. We could sell this  
house and live in a smaller place,  
right?

MOTHER  
God, its not that easy

JACE  
Why isn't it easy? We need money  
right? Then we do whatever it  
takes. She needs to go to a  
hospital!

She starts crying and Jace hugs her.

JACE  
No no, it's okay. Everything's  
gonna be okay.

She wipes off her tears.

MOTHER

Okay, you should go and see her,  
she's been waiting for you all  
night.

Jace opens the door and Mia ( 11 ) is in her bed, she looks  
tired and sick.

JACE

Hey, how are you feeling?

MIA

Way better, I don't feel sick  
anymore.

JACE

Really?

MIA

I could eat 20 yogurts without  
throwing up.

MIA

Can we play?

JACE

It's very late

MIA

Come on, please

JACE

Okay, you start

MIA

Mmm, okay, the main character is  
the daughter of a very important  
king. But she feels sad and lonely.  
And one day, she runs away.

JACE

She wants to visit a witch that  
lives in the middle of the woods,  
but then... She falls asleep.

ever.

the story tomorrow.

JACE  
Goodnight little princess.

EXT.BAR NIGHT

Jace and Liam are sitting next to a bar.

LIAM  
Remember when we wanted to be  
astronauts and travel to the moon?

JACE  
Yeah, and you used your mum's shoe  
boxes to make that kind of  
spaceship?

LIAM  
Kind of spaceship? That was  
probably the best one in the whole  
damm world.

JACE  
yeah , sure

LIAM  
What if we went back?

JACE  
But we can't

LIAM  
But what if we could? Its stupid I  
guess. I just wish things were like  
they used to be . ( pause )

JACE  
I know , life sucks .

LIAM  
You don't understand .

( CONTINUED )

JACE

Yeah , sure . Life doesn't suck for me .

LIAM

No , not for you. You shoudn't complain.

JACE

There's a big silence , and Jace looks at Liam .

LIAM

What ?

JACE

Nothing

LIAM

No , I know you have to say something.

JACE

I have nothing to say.

LIAM

Okay then.

They both sit in silence

LIAM

JUST SAY IT !!

JACE

I the one who's always been there for you. It sucks . And it hurts to see people you love get hurt .And you sit there , staring , cause there's literally nothing you can do. But yeah , that's life , life's a bitch. You know what ? Just because it looks like everything's perfect it doesn't mean that it is .

Pause

JACE

My sister is sick and there's no money .

They stay in silence . Liam looks at Jace . Jace gets up and leaves .

INT . LIAM'S HOUSE

Liam enters his house . He's dad is sleeping in the sofa , with a blanket , he's wearing pyjamas . He goes into the kitchen and gets a glass of milk . He sits at the table just drinking milk and eating cookies .

The interior house door opens , a girl and a boy enter the house , they're laughing , we can see they're drunk . She asks him to be quiet . He tries to get in the house but she forces him to leave . She's wearing black clothes and she wears makeup , she's been at a club .

She gets into the kitchen smiling and then sees Liam , she stops smiling and she looks surprised . Then leaves.

He lays in his bed, thinking and staring at the roof. He closes his eyes and then smiles.

right?

JACE

They stay in silence . Liam takes out a envelope from his jacket . He hands it to Jace . Jace opens it ,its full of money. He hands it back .

LIAM

some shit , so who cares ? ( he  
smiles )

promise . Take care and be nice to  
the doctors .

MIA

JACE

MIA

How does the story end ?

JACE

She finds the witch and she gives  
her a potion, thanks to that she  
ends up having a lot of friends  
that really love her, just like her  
brother does.

MIA

I like that ending

JACE

yeah , me too .

Then the car leaves and Jace waves goodbye .
